

Harish D. Kuntla

Senior Graphic and UI UX Designer

Professional Summary

Hello, My name is Harish D. Kuntla, and I am writing to express my enthusiasm for potential opportunities in the field of graphic design. I hold a Bachelor of Fine Arts degree and bring with me 13 years of rich professional experience, with a significant focus on Finance, E-commerce and Hospitality domains. Throughout my career, I have cultivated a versatile skill set that harmonizes artistic flair with technical precision. Being rooted in a creative background, I pride myself on my innovative approach to design. Proficient in Illustrator, Adobe InDesign, Adobe XD, and Figma, I have honed my expertise in various aspects of design, including Typography, Colour Theory, Layout Design, and User Interface Design. My journey in the graphic design realm extends to social media publications, where I have successfully contributed to enhancing brand presence and engagement. Furthermore, I boast a robust understanding of print media, excelling in projects such as brochures, book covers, and logo design. I take pride in my ability to establish new branding initiatives and breathe life into visual identities. In essence, my passion for design and my technical proficiency make me well-equipped to contribute meaningfully to creative endeavours. I am eager to explore potential collaborations and discuss how my skills align with the vision of your esteemed organization.
